

OPD-1520-61

10 March 1961

RECIPIENT FOR : Chief, Air Support Branch, DPD-DO/P  
SUBJECT : Modification to C-130A  
REFERENCE : OPD-1055-61, dated 23 February 1961

25X1C

2. Information received from [REDACTED] indicates the cost of the above modifications to be \$200,000 including a limited flight test program to insure proper operation of the equipment. The estimated time to complete the program is five months, assuming no extensive overtime. The above is predicated on the availability of an aircraft [REDACTED]. It does not appear feasible to complete this installation at [REDACTED]
